

WORKSHEET 4: Measuring Program Objectives

Evaluation Plan

Please use the one-page Program Summary and Worksheets 1-3 to complete the evaluation plan. Refer back to slides for help. The first two objectives are provided. You may use objectives you created on Worksheet 3 to fill out the rest of the Evaluation Plan.

Objective	Specific Measures or Indicators	Sources of Data	Data collection Methods	Person Responsible
At least 80% of the women will complete at least 6 of 8 Health and Well-being classes				
Of those who complete...at least 75% will improve their scores related to knowledge of healthy lifestyles
